7. THE COURSE

- race runs (timed sessions) will take place on 'Škrbina' course, near Buzet

- the course is 1,7km long with altitude difference 270m

- the course is a natural mixture of dirt and rock surfaces, without bigger jumps or drops, with a few short ascents, demanding almost no pedaling

- the course will be marked with ribbons and arrows from Saturday 04.06.2016.

- it is prohibited to make any shortcuts or modifying of the course

- the transfer from finish to start will take place mainly on asphalt road (6,1km)

- estimated transfer time is 30-45 minutes
- the transfer takes place on public road open for traffic, so extra caution is advised

8. RACE RULES AND DESCRIPTION

- riders pick up their starting bibs (number plate) and timing chips in the race office (konoba Most)
- starting bib must be fixed on visible place on the front of the bike during transfers, training and race
- timing chip must be fixed around left ankle
- transfer takes place on asphalt road between Most and Peničíci and forward on gravel road as marked
- during transfers for practice and race, riders must use exclusively their own power to transfer from finish to start area, without any motorized devices and vehicles (shuttling is forbidden)
- official timed training will take place in any order of riders coming to start area, with marshal's advisory
- each rider's best time recorded during practice will be the basis for making the start list for the race, according to the principle fastest goes first (to provide less overtaking on the track during the race)
- after the start list announcement (near race office), riders will go back to start area and start according to the schedule on the start list
- riders which are late to start according to schedule will start after all the other riders
- each rider must make 3 timed runs to complete the race, and the result is the sum of those 3 times
- timing is carried out by contactless chips passing over start and finish loops, with spare control by marshals
- after the last run (or in the case of withdrawal), riders must return the measuring chip back to organizer or marshal
- for lost or damaged chip, rider will be penalized with 600kn (80€)
- after the race, hot meal will be served by konoba Most to all riders (with voucher)
